Annual Moorage Details.

1. Annual moorage fees at Thieves Bay Marina are a fraction of fees charged by public marinas.
2. The slips at Thieves Bay Marina have no electrical or water service and staying on board a vessel in the marina overnight is strictly prohibited.
3. Much of the marina is shallow with hazards at low tide so boaters are cautioned to be careful.
4. A boat maintenance grid with water and electricity is available for members' use. This tidal grid can be booked ahead of time.
5. The larger deepwater slips are reserved mostly for sailboats.
6. The maximum allowed boat length is 36' (12' width). Slips for boats over 30' typically have a longer wait list.
7. Upon purchasing a property with a permanent dwelling in Magic Lake Estates, owners can join MLPOS and apply for moorage or put their name on the Wait List.
8. Members must already own the vessel before applying for moorage or being added to the Wait List.
9. MLPOS members may call 250-629-3686 or email notifymlpos@gmail.com for further information about the marina and the current status of the Wait List.
